Bending Spoons

Dear Hiring Professional,

Upon learning about the Backend Engineer posting with Bending Spoons, I was eager to contact you with my interest. When reviewing the job description, I was excited to see how well my experience aligns with your company's needs and position requirements. From reading your company's website, I feel your core mission and culture suit what I offer as a professional.

As an adept Software Engineer, I have a well-rounded skill set in backend development technologies and honed talents in java and python, making me an ideal fit for the Backend Engineer position. Further, I am a recognised expert in problem-solving and a communicative collaborator. My previous roles have strengthened my capabilities in critical thinking and teamwork, including keen attention to detail and accuracy.

I am excited at the prospect of bringing my talents to Bending Spoons. I look forward to hearing from you, at your earliest convenience, to discuss how my experience and qualifications will prove valuable in the Backend Engineer role.

Thank you for your time and consideration.

Sincerely,
Michael Boyo
